## AREA WHEAT PRODUCERS TO VOTE TUESDAY ON PROGRAM

As a final reminder to the wheat growers of Jones County, County Agent Kirby Clayton today reviewed the actions taken by Secretary of Agriculture, Orville Freeman on March 29 relating to the proposed wheat program for 1964.

He set May 21 as the date for holding a national referendum; established a national average support price of \$2.00 per bushel for certificate wheat and \$1.30 per bushel for non-certificate wheat provided the referendum vote is favorable for marketing quotas.

He also set the national marketing quota at 1.22 billion bushels and the national acreage allotment at 49.5 million acres, a 10 percent reduction from the 1963 national allotment of 55 million acres. Set a national marketing allocation for certificate wheat at 975 million bushels, 80 percent of the marketing quota. Individual producers will receive marketing certificates for 80 percent of the normal production on their allotted acreage. He also released state acreage allotments based on their share of the national allotment and Texas received 3,637,181 acres.

## 130 Attend Annual Junior-Senior Banquet Friday

Using "Knights in Flower" as the theme, the juniors hosted the seniors at the annual banquet Friday evening in the Primary cafeteria. Approximately 130 juniors, seniors and faculty members attended.

Nick Moore was the Master of Ceremonies, and Gary Jay gave the invocation. The welcome was given by Jeff Willis, junior class president and senior president, O. H. Weaver Jr. made the response.

Fred Shave presented Mary Debs Rountree as the Fair Maiden, and Sue Martin presented Mark Smith as the Gallant Knight.

Larry Butler introduced the guest speaker Dr. W. O. Bensley, professor from Hardin-Simmons University. Entertainment was presented by the Junior Combo, a vocal group composed of Gary Jay, Nick Moore, and Ronnie Sipe. The evening was brought to an end as Judy Fitzgerald led the group in the Piper Song with Barbara Embrey at the piano.

## Parents Urged to Examine Tests

Marvin Carlton, junior high school principal, requests that all parents examine their child's achievement test.

These tests, given recently, have been graded and the teachers will be happy to explain the results to the parents.

Teachers should be contacted ahead of time so a conference may be arranged during the teacher's regular conference period.

## PLANS ANNOUNCED FOR JUNIOR HIGH SCHOOL GRADUATION

The eighth grade graduation for Hamlin Junior High School has been scheduled for Friday, May 24, at 1 p.m. in the junior high auditorium, according to Marvin Carlton, principal.

Diplomas and Merit awards will be presented to the students by Superintendent, C. F. Cook.

Special music will be presented by a group of eighth grade girls under the direction of Mrs. Willard Mayberry, public school music instructor.

Members of the eighth grade class are: Vickie Acklin, Joseph D. Adams, Jr., Linda Jo Baker, Joy Jean Bond, James Richard Bonds, Barbara Lynn Brannon, Douglas Morrow Carlton, Gary Elbert Connally, Daniel Martinez Contreras, Linda Conner, Billy Don Cooper, Betty Gay Daniell, Rodney Doney, Bobbie Nell Everton, Joe Flores, Johnny Lee Flowers, William Bruce Forney, Joyce Marie Fry, Sandra Fudge, Teresa Ann Gabriel, Celia M. Gonzales, Henry Herman Gonzales, Linda Lee Goodwin, Helen Kay Hastings, Betty Gene Hendryx, Sammy Hester, Erma M. Hines,

payment rates on wheat acreage put to conservation uses. Mandatory diversion will be 30 percent of county support rate and voluntary diversion 50 percent of county support rate. The county agent explained that normal production is a farm's average per acre yield for the 1958-62 period. In the absence of proved yields, the county ASCS committee will make the determination. He also pointed out that normal yield would be subject to certain adjustments for extremely high or low yielding years.

## 39 Seniors Leave On Annual Trip Tuesday at 1 p.m.

Thirty-nine members of the senior class left Hamlin Tuesday at 1 p.m. for the annual trip to New Orleans, La. They were to board chartered buses in Anson at 1:30.

Events and activities included on the five day trip was a picnic at Forrest Park in Ft. Worth, Tuesday evening; Wednesday morning, breakfast and tour of the capitol at Baton Rouge then on to New Orleans for sight seeing tours, boat trip on the Mississippi, and dinner and floor show in the Blue Room of the hotel. Friday will be spent in Galveston and Saturday morning in Austin. They will return home Saturday night.

Class sponsors and parents who accompanied the group are Mr. and Mrs. B. V. Newberry, Milburn Wink, Mrs. Everett Gibson, Mr. and Mrs. Dewey Nunley, Mr. and Mrs. O. H. Weaver and Mrs. Delbert Rountree.

## FFA Elects Officers For Coming Year

The Hamlin Chapter of Future Farmers of America met at noon Wednesday, May 8, to elect officers for the 1963-64 school year.

Those elected were Stanley Smith, president; Holman Jones, vice president; George Stovall, secretary; Ronnie Teichelman, reporter; Lanny Foster, treasurer; and Gary Caudle, sentinel.

Members of the chapter elect Teichelman and Jones as delegates to the Area II Convention to be held at Snyder May 31-June 1. Stovall and Teichelman were elected as delegates to the Stamford District meeting in Anson May 14. Stovall is a candidate for president of Area II and Teichelman is a candidate for president of the Stamford District. Election will be held at Anson May 14.

## Singing Sunday

The Jones and Fisher County Singing will be held Sunday at 1:30 p.m. in the Foursquare Church.

According to O. L. Cohorn, president, a large crowd is expected and everyone is invited.

MRS. KENNETH RIDDLE named Woman of the Year

## BY CLUB WOMEN—

## MRS. KENNETH RIDDLE NAMED WOMAN OF YEAR

Mrs. Kenneth Riddle was named Hamlin's Woman of the Year for 1963 at the regular meeting of the Business and Professional Women's Club Tuesday evening in the primary cafeteria.

Mrs. W. B. Britton, club president, made the presentation of an inscribed trophy and an orchid corsage, to Mrs. Riddle who was chosen by secret ballot vote of members of all the local women's civic clubs.

Mrs. Riddle, the former Jo Hargrove, was a 1947 graduate of Hamlin High School and she attended college at Texas Woman's University in Denton.

She was married October 16, 1954, to Kenneth Riddle, who is engaged in farming.

A charter member of the B & P.W. Club, she served as president in 1953-55 and has served in various other capacities during the years since

## Rural Carriers To Distribute Cards For Stock Survey

Postmaster Perry Sparks reminds rural patrons of the Hamlin Post Office to be on the lookout for June Livestock Survey cards. Next week, mail carriers will leave survey cards in a sample of boxes along their routes.

"USDA bases livestock and poultry estimates on replies to this survey," Mr. Sparks explains. "It is important for everyone who gets a card to fill it out and return it to the carrier. This way, USDA gets a representative sample of the area's livestock and poultry holdings."

Carriers assisting with the survey are: Brad Rowland, Route 1; Jack Russell, Route 3.

Survey cards will be forwarded to Cary D. Palmer, State Agricultural Statistician in Austin. After adding and analyzing these cards, USDA statisticians are able to estimate the State's milk production, calf and pig crops, lamb and wool crops, and the number of hens and pullets.

Information from this survey will guide livestock and poultry producers in making important business decisions," Mr. Sparks concludes.

## Softballers to Start League Tonight

The Rebels, local women's softball team, started their season off with a high scoring game Tuesday night at Roby. The Rebels, with home runs by Mrs. Roy Thompson and Mrs. Jerry Pritchard, downed Roby, 20-3.

These two teams will play again next Tuesday at Roby. Those making up the Rebels were Miss Lola Miltstead, Zean Winegart, Mrs. Jerry Pritchard, Mrs. Roy Thompson, Mrs. Clyde Brown, Mrs. J. O. Murphree, and Carolyn Henderson. Mrs. Bill Early and Mrs. Eddie Blackwell were borrowed from Hamlin's other team, the Scubs, for the replacement of Kay Hodnett. Judy Jenkins and Mrs. Cotton Smith who were unable to make the trip.

WATER CONNECTIONS: Jeanne Pepper, 116 SW 2nd. BUILDING PERMITS: D & N Construction, three bedroom residence.

## DePriest Graduation Plans Made. Services Sunday

The Rev. B. C. Freeman, pastor of the Bethel C.M.E. Church in Albany and the St. Paul C.M.E. Church in Aspermont, will deliver the educational sermon for the baccalaureate services of DePriest High School.

The program will be held Sunday at 7 p.m. in Oak Grove Baptist Church with the Rev. F. C. Ransom, pastor, giving the invocation and introducing the speaker. Special music will be presented by the choir.

Commencement exercises will be held at the school auditorium, May 24, at 8 p.m. with E. L. Jordan, principal of the Booker T. Washington High School, Midland, as the guest speaker.

RECEIVES BAND AWARD—Pictured above is Joyce Bingham, daughter of Mr. and Mrs. Carl Bingham, as she accepts the John Phillip Sousa Award presented to her by Tim Jones, band director. Presentation was made last Thursday evening at the annual spring concert. The award is given each year to a senior band student who is chosen by the vote of band members and confirmed by the teachers and the director.

## LOCAL VOTERS GRANT SCHOOL TAX RATE INCREASE, 88-21

The local school board was given the green light Saturday to raise school tax rates as voters in Hamlin Independent School district voted 88 to 21 in favor of the maintenance tax bill. Voting was held in the high school building.

The bill also provides for a separate rate for the retirement of bonds. At the present time the district has a rate of \$1.50 which must be used for both maintenance and bond retirement.

Superintendent C. F. Cook said that at the present time the rate would be raised only 15 cents, or from \$1.50 to \$1.65. This would include the 30 cents needed to retire the school's bonds.

According to Fred B. Moore Jr., president of the board, the need for the increase in rate has been brought about by the continued decrease in the oil valuations of the district and the increased cost of instruction.

The district's valuations have dropped by more than one million dollars in the past eight years in spite of a 10 per cent increase in valuations in 1961, according to figures released by Cook.

During the same period, his figures show, the cost of instruction has increased \$120,499, of which the state's share is only \$60,719.

The Rev. Hartley extends to the public a cordial invitation to attend all of these services.

## Witts to Attend Convention May 18

Mr. and Mrs. I. R. Witt plan to attend the meeting of the recently organized Texas State Federation of Square and Round Dancers to be held in the Memorial Auditorium at Dallas May 18.

As representatives of the Westerners, the Witts are members of the board of directors of the state organization.

The directors, all dressed in red, white, and blue, will lead the Grand March opening night. The festival will feature many of Texas' outstanding callers and round dance teachers.

## Afton Cemetery Work Day Set

Work day at the Afton Cemetery will be held Tuesday, May 21. Everyone is urged to attend and bring tools necessary for cleaning the grounds.

If it is impossible for you to help with the working, money may be deposited at the Farmers and Merchants National Bank, Afton Cemetery Fund, to be used to hire laborers to complete the work.

## Rebels Down Roby Tuesday, 20-3

Hamlin's men softball team failed to score with bases loaded in the top of the seventh inning and were defeated by Roby 5-4 last Friday night.

The softball team will begin league play tonight (Thursday) at Roby against the Roby Farmers Union.

## OLIN AMERSON HARVESTS AREA'S FIRST WHEAT, THURS.

The first wheat harvested in this area, was brought to Moore Elevator last Thursday afternoon at 3 p.m. by Olin Amerson. This was the first hard wheat milling in Texas and possibly the first in the nation, according to Robert Fowler, manager of the elevator.

Amerson cut the wheat from nine acres located east of Hamlin and it averaged 21½ bushels to the acre. He was paid at that time \$2.00 per bushel.

## Russells to Speak At First Baptist Church Sunday

Mr. and Mrs. Ted Russell who returned from Japan Tuesday will be speaking at both services of the First Baptist Church Sunday. They will share with the congregation experiences of their part in the Japan Baptist New Life Movement.

Mr. Russell will speak during the morning worship at 10:40 and Mrs. Russell will speak for the evening service at 7:45.

During their six weeks of travel the Russells participated in revivals at Toyama and Kanazawa, where he worked as a lay speaker and she as a musician. They also made a short visit to Hong Kong.

According to the Rev. Leonard Hartley, pastor, they will share many personal experiences and their impression of the mission work in Japan.

During the month of June Rev. Hartley, who also participated in the New Life Movement, will have a series of messages on Sunday evenings concerning his work. He will show slides relating to the various places. On June 2 his topic will be the Philippines and on the following Sunday evenings he will speak on work in Taipei and Hong Kong.

The Rev. Hartley extends to the public a cordial invitation to attend all of these services.

## Majorettes and Cheerleaders for Next Year Named

Majorettes and cheerleaders were named for the 1963-64 school year at Hamlin High School last week. Pep squad majorettes were Patricia Harkley, Barbara Gram, and Junie Jordan. Pat Pope is alternate.

Cheerleaders are Barbara Lakey, Phyllis Scarborough and Nancy Ford. Sheila Stone is alternate.

Miss Dora Mitchell is sponsor.

## Piperettes Name Captains for 63-64

The local girls basketball team elected captains for the 1963-64 season Tuesday at a meeting in the gymnasium. They are Barbara Lakey and Phyllis Scarborough.

Edd Farmer is their coach.

However, the present rate has dropped to \$1.90, said Fowler.

Fowler further stated that other wheat is being sampled but for the most part it is still too wet. He expects the harvest to get into full swing by the week end or the early part of next week.

Soon after Amerson brought in his wheat, Webb Beauchamp arrived with a load cut on the F. L. Adamson farm near Radium, which averaged 16 bu. per acre, despite recent rain and hail damage.

A 15 acre patch owned by John Beauchamp in the Plainview community averaged 27 bushels per acre. This was cut Monday.

Fowler feels that most of the wheat in this area will be No. 1 grade, when it is dry enough for harvesting.

## Parents and Scouts Of Troop 43 to Meet Monday Night

The Boy Scouts, Troop 43, are having a meeting for parents and all others interested in the Scouting program, Monday, May 20, at 7:00 p.m.

This meeting is for the purpose of choosing candidates for The Order of The Arrow Koto Lodge. These candidates will be presented at the close of camp at Camp Tonkawa, July 7 thru 13. The names will not be released until time for the Ceremony at Camp.

The Order of The Arrow is one of the highest honors a boy can receive in scouting. He must be a first class scout, be of good character, a leader in his troop, be helpful to other boys, attend scout meetings, live by the Scout Law, be an outstanding camper and have spent at least fifteen days and nights camping since becoming a scout.

There are approximately ten boys of the local troop eligible for this honor, but only four can be chosen. The scouts of Troop 43 will select these four.

Weldon Johnson, former Scout Master of Troop 43 and a member of O. A. Koto Lodge, will be in charge of the meeting.

## Central Baptists Name Mother of Year Sunday

A new custom was initiated Mother's Day at the Central Avenue Baptist Church as they elected Mrs. Roy Embrey as Mother of the Year. She was presented a carnation corsage during the morning worship service.

"This is the first time for mothers of the church to be honored in this way, but we hope it will become an annual affair at our church," said the Rev. Bill Irwin, pastor. He further stated, "Jackie is one of the most faithful ladies in our church and very deserving of the honor. Her family is a real testimony to her witness."

Her daughter, Barbara, is also very active in church work serving as church pianist and various other capacities.

BEST SPORTSMAN AWARD—Dean Witt, captain of the T P Coal and Oil Bowling team was recipient of the Best Sportsman trophy given by the Major Bowling League in Stamford Friday. Ten teams participated in the Winter league with Hamlin ending in sixth place.

But, Fred says there is "A Reason," its all in the care and feed. He has the White Leghorn. That kind of chick makes good layers and you want a tender broiler there in the early spring and eggs in the winter.

## How Precious OUR CHILDREN

In telling us of the heritage of the servants of the Lord, the prophet Isaiah says, "And all thy children shall be taught of the Lord; and great shall be the peace of thy children." Isaiah 54:13. We want our children to be taught the ways of love for God, for their neighbor, and for their fellow man. We know that if they are educated in the ways of love, great will be their peace and happiness, creativeness, and productivity.

What other agency is assigned by our Lord the task of teaching love of God and man than the church? Take your children to church this Sunday and claim His promises.

## FAIRVIEW NEWS

That time of year has come again that the farmers are sweating out the wheat crop harvest. Grain is ripening, estimates are that week or ten days will be time to combine, and a rain and hail can wipe it out in a few minutes when it is in that stage. But all that can be done is just wait and hope that bad weather doesn't come.

Cotton planting is in full swing this Monday morning, every thing is right for cotton planting, even to the wind blowing every day, which always happens when the farmers start cotton planting.

Sunday was the last day for our pastor, Rev. Derrel Lewis,

to preach for us. He had gone to Lubbock last week to start the new job. Mrs. Lewis is staying to send the children to school. He came home for the weekend and they have moved their furniture to be stored in Lubbock until they can find a house. Mrs. Lewis and children will stay with Mr. and Mrs. Johnny Lewis until the children are out of school. They will both be employed at the Farm Discount Store, which is situated on the Plainview Highway in Lubbock.

After services Sunday night the ladies spread refreshments of cookies and drinks, for a short social hour honoring the

pastors family. Gifts were presented them to show our love and appreciation for them, the time they spent with us, and to wish them success and happiness whatever they do in the future.

Mrs. Joe Ford reported that they have the big hole repaired in their roof, that the storm made two weeks ago. Their house suffered considerable damage, besides the roof but that can be done later, without it raining in on them. It seems that things really got scary for a while with them, so they were thankful that no more damage was done.

Mr. and Mrs. Winson Gray visited with Mr. and Mrs. Elmer Joiner Monday night.

Mr. and Mrs. Clois Henry and children of Snyder, spent Saturday night with Mr. and Mrs. E. A. Henry.

Mr. and Mrs. Jack Wright and children ate supper with

the H. L. Ford family Thursday night.

Mrs. Elmer Joiner went to Vernon last Tuesday, to the district 3, Home Demonstration Meeting. Mrs. Karl Bonneau, Mrs. Frank Carter, Mrs. H. H. Windham and Mrs. Mary Y. Newberry came by and she went with them. Three other women from Jones county, over Avoca way, also attended.

Visitors in church Sunday, and taking dinner with her parents, Mr. and Mrs. Joe Ford, were Mr. and Mrs. Willard Herrington and sons from Abilene.

Nancy Ford has been elected as one of the cheerleaders for Hamlin High School next year. She will also be reporter for the library club.

Mrs. Derrel Lewis and children, Mrs. Flavel Holmes, Mr. and Mrs. Jack Wright and children, all took supper out to the park last Wednesday night before prayer meeting time.

Mrs. Raleigh Bond, Mrs. Woodrow Goodwin and Linda, attended the singing at Hanna Sunday afternoon.

If anyone reading this lost a hat and got another by mistake, at the Neinda gin meeting at the primary school cafeteria several weeks ago, will contact Elmer Joiner he will be glad to trade hats. Some one got his by mistake and left theirs.

MR. AND MRS. JOHNSON  
to be honored SundayMR. AND MRS. JESSE JOHNSON  
married in 1913

## OPEN HOUSE SUNDAY TO FETE JOHNSONS ON ANNIVERSARY

Mr. and Mrs. Jesse E. Johnson will be honored with open house Sunday in observance of their 50th Wedding Anniversary. Friends are invited to call at their home, 353 S. W. Third, between the hours of 2 and 5 p.m.

The Johnsons, long time residents of Hamlin, were married May 20, 1913 in Anson. They have seven children living: 10 grandchildren and two great-grandchildren. The children are: J.E. Johnson Jr. of Hamlin; Mrs. F. D. Lee, N. D. and Darrel Johnson all of Odessa; Mrs. Vernon Andrews and Donald Johnson both of Albuquerque, New Mexico; and Mrs. W. A. Moffison of Houston. One daughter, Fay Jerene, was killed in a car accident June 29, 1957.

Mrs. Johnson, the former Fannie Elizabeth Eoff, was born east of Anson and except for two years, lived all her life in Jones County. Her parents, Mr. and Mrs. Aaron Eoff, farmed in the Oak Grove community, and Mr. Johnson's parents, Mr. and Mrs. J. T. Johnson, owned a farm in the same vicinity.

Mr. Johnson was born in Falls County, east of Hamlin and came to Jones County with his parents in 1906. The new county courthouse was under construction at that time and his first job was a laborer on that project.

Mr. and Mrs. Johnson began seeing each other at various school and community functions. She was a student at the Oak Grove School and rode horseback, with a side saddle, to and from school. They recall the good old horse and buggy days with hay wagon rides on Saturday nights to the homes of neighbors for snap parties and square dancing; the Sunday afternoon gatherings of the neighbors for old time singings; the once a month trips to town for grocery supplies, a bolt of calico for the girls' dresses and some brown jeans for the boys' pants.

A few years after the romance began to bud, Mrs. Johnson moved with her parents to the nearby Hollis Hill

community. However, neither the move nor the strictness of her parents stopped the courtship. She would stay the night with neighbor girls in order to attend parties and be with her sweetheart. Her father was a hunter and while he was away for a wolf hunt, May 20, 1913, she took a few clothes, slipped out the back way to meet her fiancé in an orchard near her home and they eloped. Traveling through the woods by the back roads, for fear of meeting her father, they met Mr. Johnson's cousin and some other friends and went into Anson where a minister performed the marriage ceremony while they sat in the wagon. It was a week before her parents contacted her.

Mr. Johnson worked on a farm for \$1.00 per day and picked cotton for 60 cent per hundred. When the drouths came in 1918 he went to work in the oilfields at Burkburnett. After a few months of saving, his wife and two children were able to join him. They lived in a 10 by 12 room because of the over crowded conditions. Later they were able to find a house and Mrs. Johnson served family style meals and packed lunch pails for men working in the oilfields.

In 1920 they moved back to a farm in Jones County but farming was not too good so he went to work in an automobile shop in Anson. About six years later he became agent for an oil company and operated a garage until 1929 when he sold out the business and went back to his first love, farming. In 1930 they moved to a farm 5 miles southeast of Hamlin and lived there for the next 31 years. Mr. Johnson's health forced him to retire in 1962 and they moved into Hamlin.

He spends his leisure time fishing and although Mrs. Johnson enjoys fishing she sews and makes leather gloves as a hobby. They are members of the Hamlin Church of Christ.

"We have had a lot of ups and downs including the depression, drouths and wars, but we are happy to be here," said Mrs. Johnson.

## VFW Auxiliary Installs Officers

Officers were installed at the Ladies Auxiliary to the Veterans of Foreign Wars May 6. Mrs. Cleo Perryman, outgoing president, installed the officers.

The new officers are Mrs. Carl Green, president; Mrs. Hoss Cox Sr., vice president; Mrs. Clinton Robinson, Jr., vice president; Mrs. Jack Weir, chaplain; Mrs. Vernon Ely, conductor; Mrs. Jack Robinson, guard; Mrs. Irvin Smith, treasurer; and Mrs. Paul Galy, trustee.

May 20 will be the next meeting and they are to make plans for Poppy Day.

"Stonewall" Jackson, the Confederate general was accidentally killed by his own men in the battle of Chancellorsville, in 1863.

## Literary Club Installs Officers' Names Committees

Officers of the Hamlin Women's Literary Club were installed at the May 3 meeting in the home of Mrs. C. T. Murrell. Mrs. Murrell conducted the service using small potted plants wrapped in colored paper, following the program on Guatemala by Mrs. R. D. Moore.

Officers included Mrs. Murrell, president; Mrs. W. L. Hunter Jr., first vice president; Mrs. Donley Williams, second vice president; Mrs. John D. Ferguson, recording secretary; Mrs. Ray Sonnenburg, corresponding secretary; Mrs. Bob Craig, reporter; Mrs. W. A. Cassle, treasurer; Mrs. Moore, parliamentarian; Mrs. Lenard Hartley, critic; Mrs. L. H. McBride, librarian.

The president appointed the following committees: Yearbook, Mmes. Donley Williams, Holly Toler, R. D. Moore, John D. Ferguson; Education, Mmes. C. I. Cook, A. B. Carlton, A. A. Wade; Home Life, Mmes. L. H. McBride, Joe A. Simpson; Public Affairs, Mmes. Bob Craig and Bill Shira; Membership and Telephone, Mmes. Floyd Clifton, Parker Kelley, Ray Sonnenburg; Methods and Finance, Mmes. W. A. Cassle and Lenard Hartley; Fine Arts, Mmes. Tate May, S. L. Tate and M. T. York; International Affairs, Mmes. Richard Young, A. A. Hackley and W. A. Albritton; Texas Heritage, Mmes. J. W. McCrary, M. T. York; Conservation, Mmes. Tarleton Willingham and Virgil Steele.

Mrs. John D. Ferguson was appointed Chairman of Reports, Mrs. W. L. Hunter, Federation Counselor and Mrs. Dick Maberry was selected as Women's Forum Representative.

## Alathean Class Has Breakfast Meet

The Alathean Sunday School class of the First Baptist Church met for breakfast Wednesday morning in the home of Mrs. J. C. Turner Jr. Mrs. Robert Fowler, Mrs. Paul Cooper and Mrs. Elbert Payne assisted the hostess.

After breakfast, the business session of the class was held. The Standard of Excellence for adult classes was discussed. Plans for the month were made, and next class meeting was set for June 19.

Sixteen class members were present.

Summer's coming, get going!

If this isn't a great time to get yourself a new Chevrolet—well, we just don't know when is. Why, you'd almost have to be anti-summer not to let one of these four convertibles get to you. Or any of Chevrolet's sedans, wagons, sport coupes and sport sedans, for that matter.

And there are a lot of other buy-now reasons besides the season. Like the care-free feeling you get on

a long vacation trip in a brand-new car. And it's a smart time to trade, what with your Chevrolet dealer all stocked up for a busy summer. Chances are, he has just the model and color you want—be it Chevrolet, Chevy II, Corvair or Corvette—ready to go right now.

So maybe now you're all wound up? Then spring into summer at your Chevrolet dealer's.

## To Receive H-S U Degrees May 27

Worham (Bud) Crow Jr. and Mrs. Gene Brooks, the former Brentz Crow, son and daughter of Mr. and Mrs. Worham Crow, of Anson will receive their degrees at Hardin-Simmon University May 27. Their grandparents were the late Mr. and Mrs. Judge L. Crow of the Boyd Chapel community south of Hamlin.

Mrs. Brooks completed the work for her BS degree in Education in October and since that time has been employed as a teacher in the Novice Public Schools where her husband is principal.

Crow will graduate with a Bachelor Degree in Business Administration. He studied at the University of Hawaii last summer.

# NEINDA PHILOSOPHER ADVISES WORLD LEADERS ON HOW TO HOLD A SUCCESSFUL DISARMAMENT MEETING

Editor's note: The Neinda Philosopher on his Johnson grass farm on Rt. 1 takes a look at a world problem this week.

Dear editor:

I've noticed that along about this time every spring there's considerable talk about banning further testing of atomic bombs and when nothing comes of it the world leaders shake their heads gloomily and say it forebodes evil days ahead. I don't like to advise world leaders, although I've never seen a man yet who wouldn't undertake the drop of a hat, me included, but it seems to me the idea of a ban is sound, they're just picking the wrong item.

Trying to ban the testing of atomic bombs is like trying to get a kid to give up bicycle riding the day after Christmas he got a new one. Wait till he's old enough to drive a car and you can turn the trick without any trouble.

If the world leaders want to have a really successful disarmament conference, let them meet at some neutral place, say on this Johnson grass farm, and forever ban the use of the cannon ball. If this is too strong for the smaller countries just now coming into civilization, they can go a little further back and ban the use of the slingshot and the crossbow.

The trouble with the world

leaders is they're trying to get ahead of themselves. How can you expect France for example to agree to ban the testing of atomic bombs when it hasn't even gotten one to go off yet?

If the world leaders would like to meet out here, I'll be glad to work up a list of weapons they can successfully get banned, and it won't be just primitive ones, either. For example, take battleship. New Guinea would readily agree to ban battleships, since battleships are now about useless in modern warfare. Open cockpit airplanes can be stricken off. And the list can be lengthened, but I'll hold up on it till I hear from the world leaders. No use going to a lot

THE HAMLIN HERALD

MAY 16, 1963

of trouble thinking up items unless they'll come.  
I hope they can make it here, though. I'd like to work in the idea also of banning tractor driving.

Yours faithfully,  
J. A.

## DePRIEST HONOR STUDENTS NAMED AS TERM NEARS END

Bettye Lee Johnson and James Willis Owens have been named the valedictorian and salutatorian of the Oscar DePriest School. Bettye Lee, daughter of Mr. and Mrs. John L. Gilbert, had a four year average of 81. She played basketball and ran track, was reporter of the student council, 1st vice president of the New Homemakers of America and secretary of the senior class. Bettye was a member of the relay team that captured state honors in April.

Bettye plans to attend Prairie View A & M majoring in mathematics.

James Willis, son of Mr. and Mrs. Allen Owens, Jr., is the salutatorian with an average of 80. He played basketball, baseball, and took part in their track and field events. He served as president of the student council, a member of the octet,

high school choir and is president of the senior class. James Willis plans to attend Prairie View A & M majoring in science.

## SAFETY GROUP SAYS TRAFFIC ACCIDENTS IN TEXAS RISING

Austin—The Texas Safety Association today labeled the traffic accident situation in Texas "critical" and called on the citizens of the state to help stop the increasing trend in traffic accidents and fatalities.

"The traffic accident situation in Texas has reached a critical period," J. O. Musick, General Manager of TSA, said. "During the first three and one-half months of this year, traffic fatalities increased about 17 percent over the same period last year. Traffic accidents increased approximately 12 percent."

The safety director said it was going to take "an all-out effort on the part of every driver to stop the needless waste of lives, the human suffering and the economic loss caused by accidents." He also pointed out the urgency of checking the increasing accident trend.

"Vacation time is 'just around the corner,' and if something isn't done to stop the traffic accident trend, it won't be safe for anyone to get out on our streets and highways," Musick said.

He urged individual drivers

to increase or work toward developing skills and attitudes to meet every driving situation and appealed to all civic clubs and other organizations to encourage safe driving.

"Each driver can help himself and other drivers carefully and courteously. Civic clubs and other organizations can aid the cause of traffic safety by initiating and supporting safety campaigns."

"So, let's all drive safely and talk safety," Musick concluded. "The life you save may be your own."

### Charles Young Takes Training

Camp Pendleton, California (EHTNC)—Charles O. Young, son of Mrs. Charles E. Young of Route 3, Hamlin, recently participated in five days field

medicine training in the Box Canyon area while attending to Company "D," First Medical Battalion of the First Marine Division at Camp Pendleton, Calif.

The intensive training consisted of simulated disaster conditions with "victims" suffering from various types of wounds and requiring the operation of a field hospital.

### Mrs. J. W. McCrary Sets Recital

"Far Away Lands," a musical play, will be presented by pupils of Mrs. J. W. McCrary May 18 at 7:45 p.m. in the primary cafeteria.

Characters in the play will include Reba Jackson as the music teacher; Nancy Holzman as the pupil who doesn't like to practice; and Susan Wilder

as the Spirit of Music who will take you around the world to hear music of fifteen distant lands.

The public is invited to attend.

## HAMLIN SUPERINTENDENT THANKS PUBLIC FOR SUPPORT

This school year has passed very quickly and is almost history. We trust that the students, teachers and parents have enjoyed and received a blessing as well as a reward. The Superintendent of the Hamlin Schools expresses his

sincere thanks and appreciation to the people of this community for the many kind things you have done to help make this year's school program successful and enjoyable. The cooperation has been wonderful.

I want to thank Mr. B. V. Newberry, Mr. Marvin Carlton, Miss Odene Murphree, Mrs. Fred Smith, and Mr. I. J. Starr, for the fine work they have done. Each has done marvelous jobs in directing their respective schools. The leadership and supervision they have given the students and faculty has been very beneficial. They are to be commended by all parents.

With the interest and cooperation our teachers have shown, a school can will be a better school. The congeniality that has been shown between our teachers in all our schools has been very inspiring and this cooperative relationship has been reflected in the conduct of our students.

The students have given our school one of the outstanding school years in several years. They have been successful in so many activities. Our Primary School, Elementary School, Elementary Band, Junior High School Band, Junior

High School Choir, the High School Band, and all of our sports throughout our school have been outstanding.

In our academic subjects we have accomplished better and higher honors. The Vocational Agriculture, Home Economics, English, Science, Mathematics, Commercial, Social Studies, and other departments have had outstanding success and accomplishments.

C. F. Cook, Superintendent of Schools, expresses his appreciation to the Board of Education of our school. The Board Members are to be commended for their efforts and interest. They have been most attentive and cooperative in giving our school the supervision needed.

I sincerely hope the students and their parents are not unhappy with the results of their grades. It is natural for those that pass with good grades to be happy; it is also assumed that those making poor grades and failing are not happy. It is hoped that the instruction and efforts of the teachers will be appreciated. We know to fail is disappointing but success is earned by effort and hard work. Mr. Cook suggests if you are unhappy with the results of your children, contact their teachers and principal. Also, he will be most happy for you to contact him after you have contacted the above people.

I will suggest to parents that more supervision and help be given the younger children and demand that the Junior High and High School student to study at least 1½ hour each evening in order to be informed enough to participate in their class work the next day. This is a must if your child is to further his education. A young person now must be informed and trained in order to compete in the business world. Please help them. I will appreciate any suggestions or criticism that will help our over all program.

This year more than any other year, people have complained to the School Board instead of the school administration. We all know the board is the policy making and has charge of the operation of our school, but they also have trained people to carry out these policies. Please make your complaints to the superintendent and principals first, then to the Board if you are not satisfied.

### Now is the Time To Start Tax Record

Better records will be needed by farmers and ranchers in 1963, says Kirby Clayton, Jones County Agricultural

Agent.

Greater emphasis on the need for complete and accurate farm records is being placed by the Internal Revenue Service officials.

It is now necessary to keep more complete records, to substantiate certain expenses, particularly travel expense incurred in doing business.

The Carry-back and carry-forward features of the new seven per cent tax credit for making investments in machinery and equipment entail keep-

record longer than was previously necessary.

In addition to helping the operator file better tax returns, complete and accurate records may: Improve the farm or ranch business by locating strong or weak points in the organization of his production enterprises. Show the net worth of the business and measure financial progress which aids in securing adequate credit.

Here are some tips for keeping your 1963 records; use a

good account book, keep account book up to date, identify items on deposit slips, write on check what it is for, record and save cash tickets, keep depreciation records on a depreciation schedule, keep hard labor record and FICA depositary receipts, keep records of gasoline purchases, keep records of cost of improvement, keep sales slips on livestock sold, keep information on Co-op patronage refunds, and make entries regularly.

## AREA WHEAT PRODUCERS TO VOTE TUESDAY ON PROGRAM

As a final reminder to the wheat growers of Jones County, County Agent Kirby Clayton today reviewed the actions taken by Secretary of Agriculture, Orville Freeman on March 29 relating to the proposed wheat program for 1964.

He set May 21 as the date for holding a national referendum; established a national average support price of \$2.00 per bushel for certificate wheat and \$1.30 per bushel for non-certificate wheat provided the referendum vote is favorable for marketing quotas.

He also set the national marketing quota at 1.22 billion bushels and the national acreage allotment at 49.5 million acres, a 10 percent reduction from the 1963 national allotment of 55 million acres. Set a national marketing allocation for certificate wheat at 975 million bushels, 80 percent of the marketing quota. Individual producers will receive marketing certificates for 80 percent of the normal production on their allotted acreage. He also released state acreage allotments based on their share of the national allotment and Texas received 3,637,181 acres. He also announced diversion

payment rates on wheat acreage put to conservation uses. Mandatory diversion will be 30 percent of county support rate and voluntary diversion 50 percent of county support rate. The county agent explained that normal production is a farm's average per acre yield for the 1958-62 period. In the absence of proved yields, the county ASCS committee will make the determination. He also pointed out that normal yield would be subject to certain adjustments for extremely high or low yielding years.

MRS. KENNETH RIDDLE  
... named Woman of the Year

BY CLUB WOMEN—

## MRS. KENNETH RIDDLE NAMED WOMAN OF THE YEAR

Mrs. Kenneth Riddle was named Hamlin's Woman of the Year for 1963 at the regular meeting of the Business and Professional Women's Club Tuesday evening in the primary cafeteria.

Mrs. W. B. Britton, club president, made the presentation of an inscribed trophy and an orchid corsage, to Mrs. Riddle who was chosen by secret ballot vote of members of all the local women's civic clubs.

Mrs. Riddle, the former Jo Hargrove, was a 1947 graduate of Hamlin High School and she attended college at Texas Woman's University in Denton.

She was married October 16, 1954, to Kenneth Riddle, who is engaged in farming.

A charter member of the B & P.W. Club, she served as president in 1953-55 and has served in various other capacities during the years since.

## Rural Carriers To Distribute Cards For Stock Survey

Postmaster Perry Sparks reminds rural patrons of the Hamlin Post Office to be on the lookout for June Livestock Survey cards. Next week, mail carriers will leave survey cards in a sample of boxes along their routes.

"USDA bases livestock and poultry estimates on replies to his survey," Mr. Sparks explains. "It is important for everyone who gets a card to fill it out and return it to the carrier. This way, USDA gets a representative sample of the area's livestock and poultry holdings."

Carriers assisting with the survey are: Brad Rowland, Route 1; Jack Russell, Route 3; Survey cards will be forwarded to Cary D. Palmer, State Agricultural Statistician in Austin. After adding and analyzing these cards, USDA statisticians are able to estimate the State's milk production, calf and pig crops, lamb and wool crops, and the number of hens and pullets.

Information from this survey will guide livestock and poultry producers in making important business decisions," Mr. Sparks concludes.

## Softballers to Start League Tonight

The Rebels, local womens softball team, started their season off with a high scoring game Tuesday night at Roby. The Rebels, with home runs by Mrs. Roy Thompson and Mrs. Jerry Pritchard, downed Roby, 20-3.

Those making up the Rebels were Miss Lola Milstead, Zoan Winegeart, Mrs. Jerry Pritchard, Mrs. Roy Thompson, Mrs. Clyde Brown, Mrs. J. O. Murphree, and Carolyn Henderson. Mrs. Bill Early and Mrs. Eddie Blackwell were borrowed from Hamlin's other team, the Scubs, for the replacement of Kay Hodnett, Judy Jenkins and Mrs. Cotton Smith who were unable to make the trip.

## DePriest Graduation Plans Made, Services Sunday

The Rev. B. C. Freeman, pastor of the Bethel C.M.E. Church in Albany and the St. Paul C.M.E. Church in Aspermont, will deliver the educational sermon for the baccalaureate services of DePriest High School.

The program will be held Sunday at 7 p.m. in Oak Grove Baptist Church with the Rev. F. C. Ransom, pastor, giving the invocation and introducing the speaker. Special music will be presented by the choir.

Commencement exercises will be held at the school auditorium, May 24, at 8 p.m. with E. L. Jordan, principal of the Booker T. Washington High School, Midland, as the guest speaker.

RECEIVES BAND AWARD—Pictured above is Joyce Bingham, daughter of Mr. and Mrs. Carl Bingham, as she accepts the John Phillip Sousa Award presented to her by Tim Jones, band director. Presentation was made last Thursday evening at the annual spring concert. The award is given each year to a senior band student who is chosen by the vote of band members and confirmed by the teachers and the director.

## LOCAL VOTERS GRANT SCHOOL TAX RATE INCREASE, 88-21

The local school board was given the green light Saturday to raise school tax rates as voters in Hamlin Independent School district voted 88 to 21 in favor of the maintenance tax bill. Voting was held in the high school building.

The Senate Bill 116 permits local school boards to set school tax rates up to a \$150 per \$100 evaluation for maintenance purposes.

The bill also provides for a separate rate for the retirement of bonds. At the present time the district has a rate of \$150 which must be used for both maintenance and bond retirement.

Superintendent C. F. Cook said that at the present time the rate would be raised only 15 cents, or from \$1.50 to \$1.65. This would include the 30 cents needed to retire the school's bonds.

According to Fred B. Moore Jr., president of the board, the need for the increase in rate has been brought about by the continued decrease in the oil valuations of the district and the increased cost of instruction.

The district's valuations have dropped by more than one million dollars in the past eight years in spite of a 10 per cent increase in valuations in 1961, according to figures released by Cook.

During the same period, his figures show, the cost of instruction has increased \$120,499, of which the state's share is only \$60,719.

## Witts to Attend Convention May 18

Mr. and Mrs. L.R. Witt plan to attend the meeting of the recently organized Texas State Federation of Square and Round Dancers to be held in the Memorial Auditorium at Dallas May 18.

As representatives of the Westerners, the Witts are members of the board of directors of the state organization.

The directors, all dressed in red, white, and blue, will lead the Grand March opening night. The festival will feature many of Texas' outstanding callers and round dance teachers.

## Afton Cemetery Work Day Set

Work day at the Afton Cemetery will be held Tuesday, May 21. Everyone is urged to attend and bring tools necessary for cleaning the grounds.

If it is impossible for you to help with the working, money may be deposited at the Farmers and Merchants National Bank, Afton Cemetery Fund, to be used to hire laborers to complete the work.

## Rebels Down Roby Tuesday, 20-3

Hamlin's men softball team failed to score with bases loaded in the top of the seventh inning and were defeated by Roby 5-4 last Friday night.

The softball team will begin league play tonight (Thursday) at Roby against the Roby Farmers Union.

## OLIN AMERSON HARVESTS AREA'S FIRST WHEAT, THURS.

The first wheat harvested in this area, was brought to Moore Elevator last Thursday afternoon at 3 p.m. by Olin Amerson. This was the first hard wheat milling in Texas and possibly the first in the nation, according to Robert Fowler, manager of the elevator.

Amerson cut the wheat from nine acres located east of Hamlin and it averaged 21½ bushels to the acre. He was paid at that time \$2.00 per

bushel. However, the present rate has dropped to \$1.90, said Fowler.

Fowler further stated that other wheat is being sampled but for the most part it is still too wet. He expects the harvest to get into full swing by the week end or the early part of next week.

Soon after Amerson brought in his wheat, Webb Beauchamp arrived with a load cut on the F. L. Adamson farm near Radium which averaged 16 bu. per acre, despite recent rain and hail damage.

A 15 acre patch owned by John Beauchamp in the Plainview community averaged 27 bushels per acre. This was cut Monday.

Fowler feels that most of the wheat in this area will be No. 1 grade, when it is dry enough for harvesting.

## Russells to Speak At First Baptist Church Sunday

Mr. and Mrs. Ted Russell who returned from Japan Tuesday will be speaking at both services of the First Baptist Church Sunday. They will share with the congregation experiences of their part in the Japan Baptist New Life Movement.

Mr. Russell will speak during the morning worship at 10:40 and Mrs. Russell will speak for the evening service at 7:45.

During their six weeks of travel the Russells participated in revivals at Toyama and Kanazawa, where he worked as a lay speaker and she as a musician. They also made a short visit to Hong Kong.

According to the Rev. Lem Hartley, pastor, they will share many personal experiences and their impression of the mission work in Japan.

During the month of June Rev. Hartley, who also participated in the New Life Movement, will have a series of messages on Sunday evenings concerning his work. He will show slides relating to the various places. On June 2 his topic will be the Philippines and on the following Sunday evenings he will speak on work in Taipei and Hong Kong.

The Rev. Hartley extends to the public a cordial invitation to attend all of these services.

## Majorettes and Cheerleaders for Next Year Named

Majorettes and cheerleaders were named for the 1963-64 school year at Hamlin High School last week. Pep squad majorettes were Patricia Harkney, Barbara Gram, and Julie Jordan. Pat Pope is alternate.

Cheerleaders are Barbara Lakey, Phyllis Scarbrough, and Nancy Ford. Sheila Stone is alternate.

Miss Dora Mitchell is sponsor.

## Piperettes Name Captains for 63-64

The local girls basketball team elected captains for the 1963-64 season Tuesday at a meeting in the gymnasium. They are Barbara Lakey and Phyllis Scarbrough.

Edd Farmer is their coach.

## Parents and Scouts Of Troop 43 to Meet Monday Night

The Boy Scouts, Troop 43, are having a meeting for parents and all others interested in the Scouting program, Monday, May 20, at 7:00 p.m.

This meeting is for the purpose of choosing candidates for The Order of The Arrow Kotos Lodge. These candidates will be presented at the close of camp at Camp Tonkawa, July 7 thru 13. The names will not be released until time for the Ceremony at Camp.

The Order of The Arrow is one of the highest honors a boy can receive in scouting. He must be a first class scout, be of good character, a leader in his troop, be helpful to other boys, attend scout meetings, live by the Scout Law, be an outstanding camper and have spent at least fifteen days and nights camping since becoming a scout.

There are approximately ten boys of the local troop eligible for this honor, but only four can be chosen. The scouts of Troop 43 will select these four.

Weldon Johnson, former Scout Master of Troop 43 and a member of O. A. Kotos Lodge, will be in charge of the meeting.

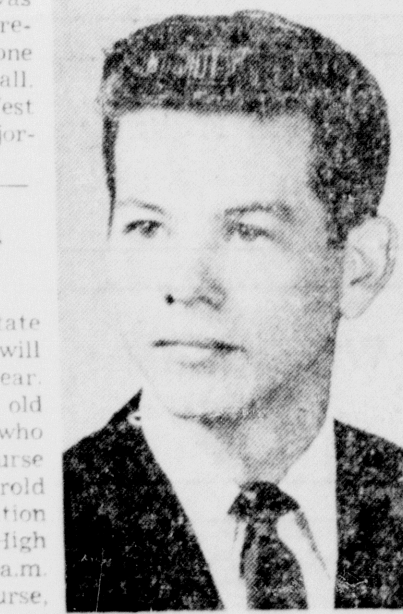

## Central Baptists Name Mother of Year Sunday

A new custom was initiated Mother's Day at the Central Avenue Baptist Church as they elected Mrs. Roy Embrey as Mother of the Year. She was presented a carnation corsage during the morning worship service.

"This is the first time for mothers of the church to be honored in this way, but we hope it will become an annual affair at our church," said the Rev. Bill Irvin, pastor. He further stated, "Jackie is one of the most faithful ladies in our church and very deserving of the honor. Her family is a real testimony to her witness." Her daughter, Barbara, is also very active in church work serving as church pianist and various other capacities.

BEST SPORTSMAN AWARD—Dean Witt, captain of the T.P. Coal and Oil Bowling team was recipient of the Best Sportsman trophy given by the Major Bowling League in Stamford Friday. Ten teams participated in the Winter league with Hamlin ending in sixth place.

## Years Ago...

## Five Years Ago

John Richey and Ginger Rabjohn will represent the community next month at the annual Boys and Girls State. Hamlin's Elementary School Band, under direction of Mac Fullerton, won sweepstakes at the area meet.

Hamlin's Explorer Scouts, members of Post 43, again brought home a blue ribbon from the annual Boy Scout Camporee. Explorer Scouts attending from Hamlin were Jimmy Shivers, Ray Johnson, Henry O'Neal, Santana Contreras, Bill Richey and Bob Johnson.

Bill Marff places third in the Class A 440-yard run with a time of 50.3 seconds.

Doug Ford awarded McMurray Track Letter.

## Ten Years Ago

Thirty-seven members of the Hamlin High School returned Tuesday night from several days' outing around New Braunfels, San Antonio and Austin.

James Burkhardt, Don Kelly, Glenn Smith and Joe Don Hyman, making up Hamlin High School relay team, will be in Austin this week-end to participate in the Texas State Interscholastic League meet contests.

First Texas wheat to be harvested this year was brought in to Hamlin this week by J.T. Smith and son, farming south-west of town.

Construction got underway last week-end on the 21-mile pipeline from Stamford to Hamlin that will bring water to this city from the Paint Creek Lake.

## Fifteen Years Ago

Hamlin's Pled Pipers edged the Snyder Tigers Tuesday night in a baseball game played at Hamlin by a 9-8 score.

Hamlin Elementary School

softball won the invitational tournament last week-end at Stamford area schools.

Stanley Wilson, son of Mrs. M. Y. Wilson of Hamlin, will receive his law degree from the University of Texas on May 31. Membership in the Hamlin Chamber of Commerce now total 137, according to officials, following the recent membership drive.

Mrs. W. L. Boyd visited her daughter, Mrs. W. L. Johnson, in Abilene Saturday. She visited a sister, Mrs. Pikins, in Cisco Sunday.

Bobby Jack and Billy Mack Riley spent the week-end with their mother, Mrs. J. L. Kennedy. The boys are attending Gale Business College in Abilene.

Mrs. J. D. Farrow is still a patient in Hamlin Memorial Hospital. She is some improved.

Mr. and Mrs. Ben Townley and daughter, Diane, visited Mrs. Townley's parents, Mr. and Mrs. T. K. Wall, at Seymour Sunday.

## Twenty-five Years Ago

A community baseball league has been organized under sponsorship of the Hamlin Chamber of Commerce. Member teams are from McCauley, Wise Chapel, Hitson and Royston.

New Developments in the oil field nine miles east of Hamlin are making that area interesting to operators.

Hamlin Methodist Church this week purchased the O. H. Berry residence, and it will be used for the pastor's parsonage.

Mr. and Mrs. Gordon R. Bennett are announcing the birth of a daughter at the Stamford Hospital Friday afternoon. The little lady has been named Patricia Lee.

Mr. and Mrs. Hood of Fort Worth were here visiting Mr. and Mrs. Johnny Hines and other old time friends in the Flat Top community.

Forty Years Ago  
Fred Moore, is establishing leading poultry raisers. He states that he purchased 200 baby chicks and that now after six weeks he has 197 left and growing fine. But, Fred says there is "A Reason," its all in the care and feed. He has the White Leghorn. That kind of chick makes good layers and you want a tender broiler there is none better. Broilers in the early spring and eggs in the winter.

## How Precious OUR CHILDREN

In telling us of the heritage of the servants of the Lord, the prophet Isaiah says, "And all thy children shall be taught of the Lord; and great shall be the peace of thy children." Isaiah 54:13. We want our children to be taught the ways of love for God, for their neighbor, and for their fellow man. We know that if they are educated in the ways of love, great will be their peace and happiness, creativeness, and productivity.

What other agency is assigned by our Lord the task of teaching love of God and man than the church? Take your children to church this Sunday and claim His promises.

## FAIRVIEW NEWS

That time of year has come again that the farmers are sweating out the wheat crop harvest. Grain is ripening, estimates are that week or ten days will be time to combine, and a rain and hail can wipe it out in a few minutes when it is in that stage. But all that can be done is just wait and hope that bad weather doesn't come.

Cotton planting is in full swing this Monday morning, every thing is right for cotton planting, even day, which always happens when the farmers start cotton planting.

Sunday was the last day for our pastor, Rev. Derrel Lewis,

to preach for us. He had gone to Lubbock last week to start the new job. Mrs. Lewis is staying to send the children to school. He came home for the weekend and they have moved their furniture to be stored in Lubbock until they can find a house. Mrs. Lewis and children will stay with Mr. and Mrs. Johnny Lewis until the children are out of school. They will both be employed at the Farm Discount Store, which is situated on the Plainview Highway in Lubbock.

After services Sunday night the ladies spread refreshments of cookies and drinks, for a short social hour honoring the

pastors family. Gifts were presented them to show our love and appreciation for them, the time they spent with us, and to wish them success and happiness whatever they do in the future.

Mrs. Joe Ford reported that they have the big hole repaired in their roof, that the storm made two weeks ago. Their house suffered considerable damage, besides the roof but that can be done later, without it raining in on them. It seems that things really got scary for a while with them, so they were thankful that no more damage was done.

Mr. and Mrs. Winson Gray visited with Mr. and Mrs. Elmer Joiner Monday night.

Mr. and Mrs. Clois Henry and children of Snyder, spent Saturday night with Mr. and Mrs. E. A. Henry.

Mr. and Mrs. Jack Wright and children ate supper with

the H. L. Ford family Thursday night.

Mrs. Elmer Joiner went to Vernon last Tuesday, to the district 3, Home Demonstration Meeting. Mrs. Karl Bonneau, Mrs. Frank Carter, Mrs. H. H. Windham and Mrs. Mary Y. Newberry came by and she went with them. Three other women from Jones county, over Avoca way, also attended.

Visitors in church Sunday, and taking dinner with her parents, Mr. and Mrs. Joe Ford, were Mr. and Mrs. Willard Herrington and sons from Abilene.

Nancy Ford has been elected as one of the cheerleaders for Hamlin High School next year. She will also be reporter for the library club.

Mrs. Derrel Lewis and children, Mrs. Flavel Holmes, Mr. and Mrs. Jack Wright and children, all took supper out to the park last Wednesday night before prayer meeting time.

Mrs. Raleigh Bond, Mrs. Woodrow Goodwin and Linda, attended the singing at Hanna Sunday afternoon.

If anyone reading this lost a hat and got another by mistake, at the Neinda gin meeting at the primary school cafeteria several weeks ago, will contact Elmer Joiner he will be glad to trade hats. Some one got his by mistake and left theirs.

MR. AND MRS. JOHNSON  
to be honored SundayMR. AND MRS. JESSE JOHNSON  
married in 1913

## OPEN HOUSE SUNDAY TO FETE JOHNSONS ON ANNIVERSARY

Mr. and Mrs. Jesse E. Johnson will be honored with open house Sunday in observance of their 50th Wedding Anniversary. Friends are invited to call at their home, 353 S. W. Third, between the hours of 2 and 5 p.m.

The Johnsons, long time residents of Hamlin, were married May 20, 1913 in Anson. They have seven children living: 10 grandchildren and two great-grandchildren. The children are: J.E. Johnson Jr. of Hamlin; Mrs. F.D. Lee, N.D. and Darrel Johnson all of Odessa; Mrs. Vernon Andrews and Donald Johnson both of Albuquerque, New Mexico; and Mrs. W. Moffison of Houston. One daughter, Fay Jerene, was killed in a car accident June 29, 1957.

Mrs. Johnson, the former Fannie Elizabeth Eoff, was born east of Anson and lived for two years, lived all her life in Jones County. Her parents, Mr. and Mrs. Aaron Eoff, farmed in the Oak Grove community, and Mr. Johnson's parents, Mr. and Mrs. J. T. Johnson, owned a farm in the same vicinity.

Mr. Johnson was born in Falls County, east of Marlin and came to Jones County with his parents in 1906. The new county courthouse was under construction at that time and his first job was a laborer on that project.

Mr. and Mrs. Johnson began seeing each other at various school and community functions. She was a student at the Oak Grove School and rode horseback with a side saddle, to and from school. They recall the good old horse and buggy days with hay wagon rides on Saturday nights to the homes of neighbors for snap parties and square dancing; the Sunday afternoon gatherings of the neighbors for old time singings; the once a month trips to town for grocery supplies, a bolt of calico for the girls' dresses and some brown jeans for the boys pants.

A few years after the romance began to bud, Mrs. Johnson moved with her parents to the nearby Hollis Hill

community. However, neither the move nor the strictness of her parents stopped the courtship. She would stay the night with neighbor girls in order to attend parties and be with her sweetheart. Her father was a hunter and while he was away for a wolf hunt, May 20, 1913, she took a few clothes, slipped out the back way to meet her fiancé in an orchard near her home and they eloped. Traveling through the woods by the back roads, for fear of meeting her father, they met Mr. Johnson's cousin and some other friends and went into Anson where a minister performed the marriage ceremony while they sat in the wagon. It was a week before her parents contacted her.

Mr. Johnson worked on a farm for \$1.00 per day and picked cotton for 60 cent per hundred. When the droughts came in 1918 he went to work in the oilfields at Burkburnett. After a few months of saving, his wife and two children were able to join him. They lived in a 10 by 12 room because of the over crowded conditions. Later they were able to find a house and Mrs. Johnson served family style meals and packed lunch pails for men working in the oilfields.

In 1920 they moved back to a farm in Jones County but farming was not too good so he went to work in an automobile shop in Anson. About six years later he became agent for an oil company and operated a garage until 1929 when he sold out the business and went back to his first love, farming. In 1930 they moved to a farm 5 miles southeast of Hamlin and lived there for the next 31 years. Mr. Johnson's health forced him to retire in 1962 and they moved into Hamlin. He spends his leisure time fishing and although Mrs. Johnson enjoys fishing she sews and makes leather gloves as a hobby. They are members of the Hamlin Church of Christ.

"We have had a lot of ups and downs including the depression, droughts and wars, but we are happy to be here," said Mrs. Johnson.

## VFW Auxiliary Installs Officers

Officers were installed at the Ladies Auxiliary to the Veterans of Foreign Wars May 6. Mrs. Cleo Perryman, outgoing president, installed the officers.

The new officers are Mrs. Carl Green, president; Mrs. Hoss Cox, Sr., vice president; Mrs. Clinton Robinson, Jr., vice president; Mrs. Jack Weir, chaplain; Mrs. Vernon Ely, conductress; Mrs. Jack Robinson, guard; Mrs. Irvin Smith, treasurer; and Mrs. Paul Galy, trustee.

May 20 will be the next meeting and they are to make plans for Poppy Day.

"Stonevall" Jackson, the Confederate general was accidentally killed by his own men in the battle of Chancellorsville, in 1863.

## Literary Club Installs Officers' Names Committees

Officers of the Hamlin Women's Literary Club were installed at the May 3 meeting in the home of Mrs. C. T. Murrell. Mrs. Murrell conducted the service using small potted plants wrapped in colored paper, following the program on Guatemala by Mrs. R. D. Moore.

Officers included Mrs. Murrell, president; Mrs. W. L. Hunter Jr., first vice president; Mrs. Donley Williams, second vice president; Mrs. John D. Ferguson, recording secretary; Mrs. Ray Sonnenburg, corresponding secretary; Mrs. Bob Craig, reporter; Mrs. W. A. Cassle, treasurer; Mrs. Moore, parliamentarian; Mrs. Lenard Hartley, critic; Mrs. L. ## Albrittons Win Bridge Meeting

Mr. and Mrs. Henry Albritton were the top players again this week at the meeting of the Hamlin Duplicate Bridge Club Tuesday evening.

Mrs. Holly Toler and Mrs. Floyd Briscoe placed second while Don Gallagher and Jack Russel tied with Mr. and Mrs. Starr Inzer for third.

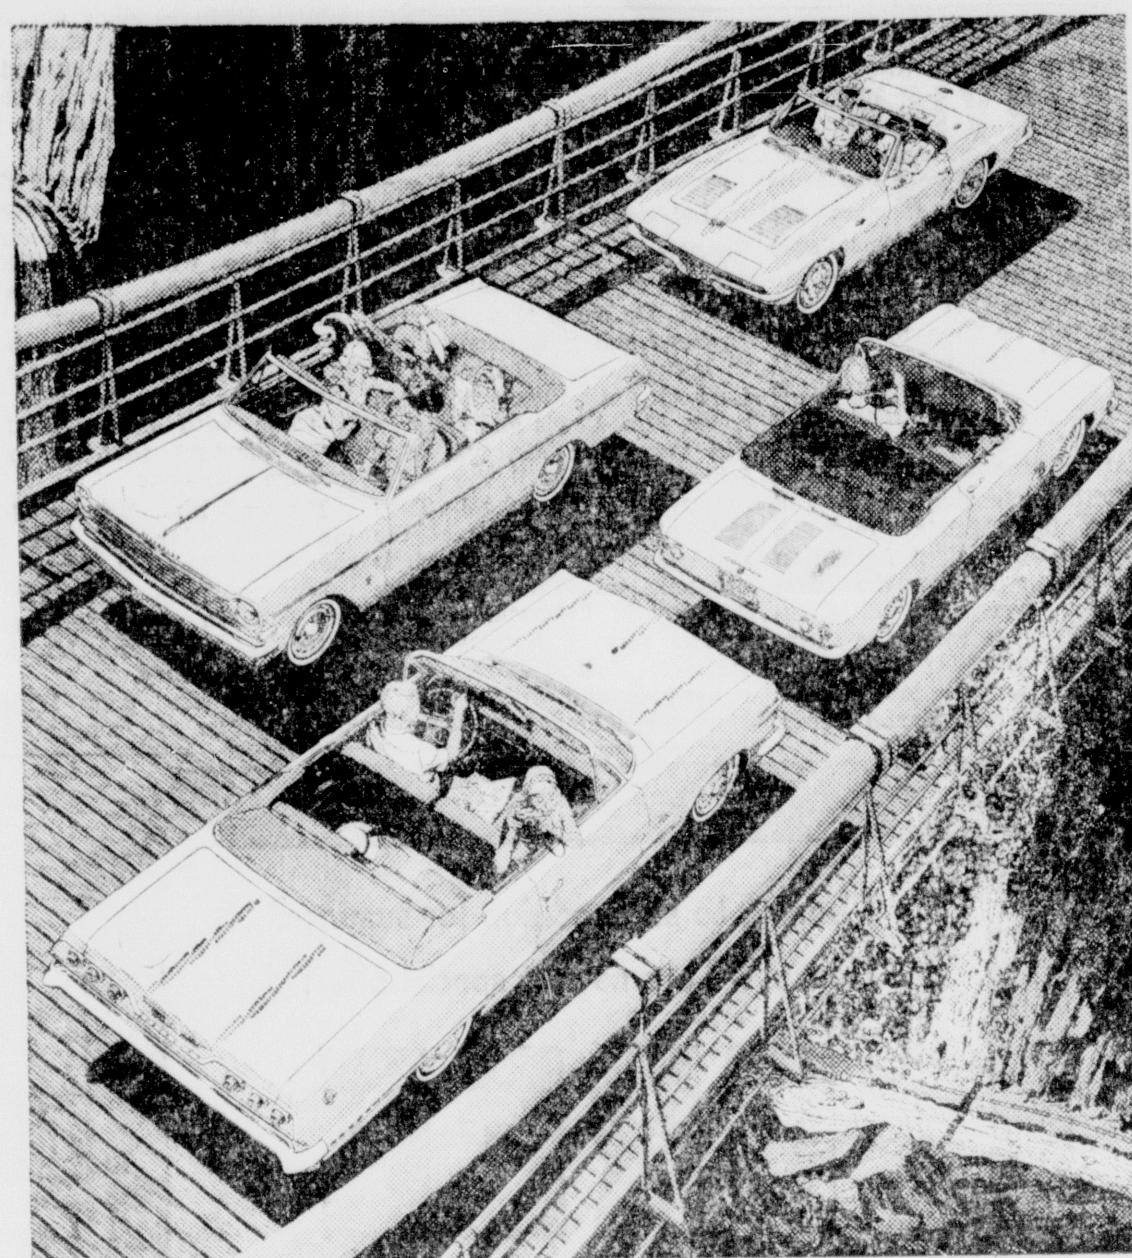

The next meeting will held Tuesday at 7:30 p.m. at the Oil Mill Guest House.

## Friendship HD Club Meets at Oil Mill

The Friendship Demonstration Club met Friday, May 10, at the Oil Mill Guest House with ten members present. Mrs. Elmer Joiner and Mrs. J. E. McCoy gave the program on "Driver Education." The next meeting will be a salad luncheon at the Guest House May 24.

## Library Club Elects Officers for 1963-64

The Hamlin Library Club met Tuesday, May 7, to elect officers for the 1963-64 school year. They are Mary Lois Patterson, president; Lewis Lawlis, vice president; Marolyn Reynolds, secretary; David Bingham, treasurer; Nancy Ford, reporter; Jerry Cooper and Ann Johnson, historians and Judy Fitzgerald, parliamentarian.

Clockwise from bottom: Jet-smooth Chevrolet Impala, Chevy II Nova 400, Corvette Sting Ray, Corvair Monza Spyder

## Summer's coming, get going!

If this isn't a great time to get yourself a new Chevrolet—well, we just don't know when is. Why, you'd almost have to be anti-summer not to let one of these four convertibles get to you. Or any of Chevrolet's sedans, wagons, sport coupes and sport sedans, for that matter.

And there are a lot of other buy-now reasons besides the season. Like the care-free feeling you get on

a long vacation trip in a brand-new car. And it's a smart time to trade, what with your Chevrolet dealer all stocked up for a busy summer. Chances are, he

has just the model and color you want —be it Chevrolet, Chevy II, Corvair or Corvette—ready to go right now.

So maybe now you're all wound up? Then spring into summer at your Chevrolet dealer's.

# NEINDA PHILOSOPHER ADVISES WORLD LEADERS ON HOW TO HOLD A SUCCESSFUL DISARMAMENT MEETING

Editor's note: The Neinda Philosopher on his Johnson grass farm on Rt. 1 takes a look at a world problem this week.

Dear editor:  
I've noticed that along about this time every spring there's considerable talk about banning further testing of atomic bombs and when nothing comes of it the world leaders shake their heads gloomily and say it forebodes evil days ahead.

I don't like to advise world leaders, although I've never seen a man yet who wouldn't undertake the drop of a hat, me included, but it seems to me the idea of a ban is sound. We're just picking the wrong item.

Trying to ban the testing of atomic bombs is like trying to get a kid to give up bicycle riding the day after Christmas he got a new one. Wait till he's old enough to drive a car and you can turn the trick without any trouble.

If the world leaders want to have a really successful disarmament conference, let them meet at some neutral place, say on this Johnson grass farm, and forever ban the use of the cannon ball. If this is too strong for the smaller countries just now coming into civilization, they can go a little further back and ban the use of the slingshot and the crossbow.

The trouble with the world

leaders is they're trying to get ahead of themselves. How can you expect France for example to agree to ban the testing of atomic bombs when it hasn't even gotten one to go off yet?

If the world leaders would like to meet out here, I'll be glad to work up a list of weapons they can successfully get banned, and it won't be just primitive ones, either. For example, take battleship. New Guinea would readily agree to ban battleships, since battleships are now about useless in modern warfare. Open cockpit airplanes can be stricken off. And the list can be lengthened, but I'll hold up on it till I hear from the world leaders. No use going to a lot

THE HAMLIN HERALD

MAY 16, 1963

of trouble thinking up items unless they'll come. I hope they can make it here, though. I'd like to work in the idea also of banning tractor driving.

Yours faithfully,  
J. A.

## SPEED MERCHANTS!

:::The little lady will pass them all with her bedroom telephone:::every time!

Across town or across the continent, there's no faster way to get from one place to another than by telephone. Just spin the dial and seconds later you're talking.

This almost "instant" communication is made possible by a continuous flow of service improvements.

Modern equipment automatically guides your call to its destination. If one voice pathway is busy, electronic

equipment routes your call another way — in fractions of a second.

These and many other improvements add up to greater speed, convenience and reliability. Our never-ending goal is to improve your telephone service and make it more valuable to you.

Making telephone service better to serve you better

## DePRIEST HONOR STUDENTS NAMED AS TERM NEARS END

Betty Lee Johnson and James Willis Owens have been named the valedictorian and salutatorian of the Oscar DePriest School. Betty Lee, daughter of Mr. and Mrs. John L. Gilbert, had a four year average of 84. She played basketball and ran track, was reporter of the student council, 1st vice president of the New Homemakers of America and secretary of the senior class. Betty was a member of the relay team that captured state honors in April.

Betty plans to attend Prairie View A & M majoring in mathematics.

James Willis, son of Mr. and Mrs. Allen Owens, Jr., is the salutatorian with an average of 80. He played basketball, baseball, and took part in their track and field events. He served as president of the student council, a member of the octet,

high school choir and is president of the senior class. James Willis plans to attend Prairie View A & M majoring in science.

## SAFETY GROUP SAYS TRAFFIC ACCIDENTS IN TEXAS RISING

Austin—The Texas Safety Association today labeled the traffic accident situation in Texas "critical" and called on the citizens of the state to help stop the increasing trend in traffic accidents and fatalities. "The traffic accident situation in Texas has reached a critical period," J. O. Musick, General Manager of TSA, said. "During the first three and one-half months of this year, traffic fatalities increased about 17 percent over the same period last year. Traffic accidents increased approximately 12 percent."

The safety director said it was going to take "an all-out effort on the part of every driver to stop the needless waste of lives, the human suffering and the economic loss caused by accidents." He also pointed out the urgency of checking the increasing accident trend.

"Vacation time is 'just around the corner,' and if something isn't done to stop the traffic accident trend, it won't be safe for anyone to get out on our streets and highways," Musick said.

He urged individual drivers

to increase or work toward developing skills and attitudes to meet every driving situation and appealed to all civic clubs and other organizations to encourage safe driving.

"Each driver can help himself and other drivers carefully and courteously. Civic clubs and other organizations can aid the cause of traffic safety by initiating and supporting safety campaigns."

"So, let's all drive safely and talk safety," Musick concluded. "The life you save may be your own."

### Charles Young Takes Training

Camp Pendleton, California (FHTNC)—Charles O. Young, son of Mrs. Charles E. Young of Route 3, Hamlin, recently participated in five days field

medicine training in the Box Canyon area while attending to Company "D", First Medical Battalion of the First Marine Division at Camp Pendleton, Calif.

The intensive training consisted of simulated disaster conditions with "victims" suffering from various types of wounds and requiring the operation of a field hospital.

### Mrs. J. W. McCrary Sets Recital

"Far Away Lands," a musical play, will be presented by pupils of Mrs. J. W. McCrary May 18 at 7:45 p.m. in the primary cafeteria.

Characters in the play will include Reba Jackson as the music teacher; Nancy Holzman as the pupil who doesn't like to practice; and Susan Wilder

as the Spirit of Music who will take you around the world to hear music of fifteen distant lands.

The public is invited to attend.

## HAMLIN SUPERINTENDENT THANKS PUBLIC FOR SUPPORT

This school year has passed very quickly and is almost history. We trust that the students, teachers and parents have enjoyed and received a blessing as well as a reward.

The Superintendent of the Hamlin Schools expresses his

sincere thanks and appreciation to the people of this community for the many kind things you have done to help make this year's school program successful and enjoyable. The cooperation has been wonderful.

I want to thank Mr. B. V. Newberry, Mr. Marvin Carlton, Miss Odene Murphree, Mrs. Fred Smith, and Mr. I. J. Starr, for the fine work they have done. Each has done marvelous jobs in directing their respective schools. The leadership and supervision they have given the students and faculty has been very beneficial. They are to be commended by all parents.

With the interest and cooperation our teachers have shown, a school can will be a better school. The congeniality that has been shown between our teachers in all our schools has been very inspiring and this cooperative relationship has been reflected in the conduct of our students.

The students have given our school one of the outstanding school years in several years. They have been successful in so many activities. Our Primary School, Elementary School, Elementary Band, Junior High School Band, Junior

High School Choir, the High School Band, and all of our sports throughout our school have been outstanding.

In our academic subjects we have accomplished better and higher honors. The Vocational Agriculture, Home Economics, English, Science, Mathematics, Commercial, Social Studies, and other departments have had outstanding success and accomplishments.

C. F. Cook, Superintendent of Schools, expresses his appreciation to the Board of Education of our school. The Board Members are to be commended for their efforts and interest. They have been most attentive and cooperative in giving our school the supervision needed.

I sincerely hope the students and their parents are not unhappy with the results of their grades. It is natural for those that pass with good grades to be happy; it is also assumed that those making poor grades and failing are not happy. It is hoped that the instruction and efforts of the teachers will be appreciated. We know to fail is disappointing but success is earned by effort and hard work. Mr. Cook suggests if you are unhappy with the results of your children, contact their teachers and principal. Also, he will be most happy for you to contact him after you have contacted the above people.

I will suggest to parents that more supervision and help be given the younger children and demand that the Junior High and High School student to study at least 1½ hour each evening in order to be informed enough to participate in their class work the next day. This is a must if your child is to further his education. A young person now must be informed and trained in order to compete in the business world. Please help them. I will appreciate any suggestions or criticism that will help our over all program.

This year more than any other year, people have complained to the School Board instead of the school administration. We all know the board is the policy making and has charge of the operation of our school, but they also have trained people to carry out these policies. Please make your complaints to the superintendent and principals first, then to the Board if you are not satisfied.

### Now is the Time To Start Tax Record

Better records will be needed by farmers and ranchers in 1963, says Kirby Clayton, Jones County Agricultural

Agent.

Greater emphasis on the need for complete and accurate farm records is being placed by the Internal Revenue Service officials.

It is now necessary to keep more complete records, to substantiate certain expenses, particularly travel expense incurred in doing business.

The Carry-back and carry-forward features of the new seven per cent tax credit for making investments in machinery and equipment entail keep-

record longer than was previously necessary.

In addition to helping the operator file better tax returns, complete and accurate records may: Improve the farm or ranch business by locating strong or weak points in the organization of his production enterprises. Show the net worth of the business and measure financial progress which aids in securing adequate credit.

Here are some tips for keeping your 1963 records: use a

good account book, keep account book up to date, identify items on deposit slips, write on check what it is for, record and save cash tickets, keep depreciation records on a depreciation schedule, keep hard labor record and FICA depositary receipts, keep records of gasoline purchases, keep records of cost of improvement, keep sales slips on livestock sold, keep information on Co-op patronage refunds, and make entries regularly.

The Pony Express in 1860-61 operated between St. Joseph, Mo. and Sacramento, California.
